Helpful Information

Davison Regional Park Softball Complex

Lady Cardinals Tournament Coordinator

1. The Davison Regional Park Softball Complex has two very large parking areas as well as several “very large” grass areas inside the complex (some smaller tree’s for shade) for teams to “set up camp” for the day...EZ-ups, etc.
2. **Concessions** - The Lady Cardinals Organization was not allowed to sell concessions as a fund-raiser, however the complex concession stand will be open and run by an outside vendor. All junk food, prices a bit high. I “have not been told” that coolers, etc are not allowed inside the complex, however no grills of any sort are allowed inside the fenced in softball complex.
3. Please clean up your trash! There are several trash cans within close proximity to each diamond.
4. **Restrooms** - Indoor bathrooms (with changing area) will be fully operational and maintained throughout the entire weekend.
5. Bleachers at each diamond but plenty of room for lawn chairs.
6. **Gate Fee** - A gate fee of \$5.00 for a day pass and \$10 for a weekend pass will be charged. Ten and under admitted free. Passes are good for both the Regional Park Complex and Davison Varsity Complex.
7. “1000” Watts Air Brushing will be set up at the Regional Park Complex.
8. **Regional Park Info** - The Davison Regional Park offers a variety of options for all, including: grills, pavilions, picnic tables, tons of shade, very large playscape, horse shoe pits, walking/bike trail, basketball courts, tennis courts, sand volleyball pit and bathrooms.
9. **Overnight Camping** - Camping overnight anywhere in the park is prohibited and enforced by the City of Davison Police Department, however, there is a very large school parking lot just outside the park entrance where you can camp overnight. Clean up after yourself and leave the parking lot as clean as you found it!
