

Cardinal Classic

Helpful Information

Davison High School Varsity Softball Complex

Lady Cardinals Tournament Coordinator

1. **Concessions** - The Davison “Lady Cardinals” varsity softball program will be selling concessions as a fund-raiser for their/our program. Coolers will be allowed in the complex, however no grills of any sort are allowed.
2. **Pre-game warm-up** - The varsity complex has absolutely no available space for teams to warm-up while the current game is in progress! You will have to warm up on the adjacent field located just to the west...look for the water tower...field is right under it and is within walking distance.
3. **Bull-pen** - The varsity complex has a fenced in bull-pen with 2 pitching lanes which are reserved for teams “in play”! No exceptions! Once the game is in the last inning you may get your pitchers in there to warm-up. Give the same courtesy to other pitchers that you would expect for your own!
4. **Batting Cage** - off-limits to all teams for the entire tournament. WILL BE ENFORCED!
5. After each game please clean-up your dugout! There are trash cans outside each dugout and near concession stand.
6. **Restrooms** - Port-a-Jon’s are located at the south end of the complex. If TP supply is running short...please let someone know at the concessions stand :) We’ll do our best to keep them clean...
7. Bleachers by each dugout. Space for lawn chairs is limited as is visibility.
8. **Gate Fee** - A gate fee of \$5.00 for a day pass and \$10 for a weekend pass will be charged. Passes are good for both the Regional Park Complex and Davison Varsity Complex.
9. **Camping** - Camping overnight is “not” allowed “near” the Varsity Softball Complex do to limited parking area. However, you may camp in either the Davison High School or Thompson Elementary parking lots near by. Clean up after yourself and leave the parking lots as clean as you found them!
